Foreword

The 1969 Green Knight has tried to portray through pictures and words the many activities of Clintwood High School and the people who took part in them. If, as you look through this book, you are reminded of some exciting event, some happy scene, some challenging activity, we will have succeeded in our task. We hope that you enjoy this book and that this edition of the Green Knight will become a part of your treasury of memories.

ADMINISTRATION

Mr. Howard Deel

Principal
Clintwood High School
Clintwood, Virginia

Courage, respect, ambition, honor and goals - these are words you have heard many times for we at Clintwood High School believe they are important traits. We have tried to provide a variety of courses, clubs, sports, and other activities so you would have every opportunity to acquire and develop these worthwhile qualities. We know only that these qualities will help you throughout life; only you will know if we have succeeded.
